For Private Secretary
to H H the Maharaja of Mysore

Respected Sir,

It was in the latter part of 1909 that Mr. J. Weir, the late — Inspector General of Education was pleased to appoint me as Fourth Carpentary Instructor in Government Industrial School, Mysore now styled as Chamarajendra Technical Institute after having satisfied himself regarding my creditable success in the various grades of Free-hand drawing, Design and Cabinet making in Carpentary Examinations held

Under Madras University and also regarding my practical efficiency in the said branch as a recent proof of which I had lately sent some articles of furniture to the last Bazaar and Industrial Exhibition for which I was awarded prizes.

I was from the beginning a student of the said Institute as a Scholarship holder After the completion of my Course in the Institute I had set up a workshop at my own expenditure. When I was appointed to the place of an Instructor I was obliged to wind up the Workshop.

Ever since I was employed I was most earnestly, faithfully and obediently working to the entire satisfaction of my Superior authorities.

After having put in nearly three years' Service in the Institute to my utter misfortune and disappointment

disappointment I received docket
 No 411 dated 31 10 13 from the Superin-
 tendant Chamarajendra Technical
 Institute, Mysore purporting that my
 services were dispensed with from
 1st November 1913, without alleging
 the cause why my services were dis-
 pensed with on account of which
 sudden and unexpected action
 I have been left in utter dark-
 ness as to my future course

Finally, I beg to submit to
 you, Sir, that the proposal to insure
 my life was approved and I have already
 paid nearly 10 monthly premiums

Under the circumstances I
 most humbly beg that you may be
 pleased to enquire into the matter
 and pass such orders as you may
 deem proper

I beg to remain,
 Respected Sir,
 Your most obedient servant
